

## RECOMMENDED READING

INFORMATION SYSTEMS USER GUIDES	Some of the Information Technology Services User Guides are located at several locations around campus. They may be obtained at the Information Systems Microcomputer Lab (12-102), in the Library Reserve Room at the far end of the room where the terminals are located, and from Information Technology Services. User Guides not available at any of these locations may be available from El Corral Bookstore Publications, such as this publication, located in the Computer Convenience Center in Building 12, room 102B or the Textbook section of the main Bookstore.
SYSTEM DOCUMENTATION	System documentation is available in the Library Reserve Room (when multiple copies are available), and from Information Technology Services.
ON-LINE DOCUMENTATION	<p>On-line documentation is available through various system commands. What follows is a list of these documents and the commands that are used to access them:</p> <p><b>% <i>man -k keyword   more</i>&lt;CR&gt;</b> Produces a list of appropriate manual pages on the system, based on the appearance of the keyword in the document synopsis.</p> <p><b>% <i>man [section number] command</i>&lt;CR&gt;</b> Produces the indicated manual page on the user's terminal using the <i>more</i> command. Press the <b>&lt;Space Bar&gt;</b> to advance to the next screen.</p>
