PLEASE NOTE: This Women's Studies Minor Application Form admits you to the Women's Studies Program, and can be used by Evaluations to track your classes. However, that does not give you credit for the minor. To receive credit, you must fill out a Women's Studies Minor Certification Form, have it signed by the director of Women's Studies, and give it to the Evaluations Office. You will do this after you have completed all classes needed for the minor, or when you request a graduation evaluation from the Evaluations Office, whichever comes first. The Women's Studies Certification Form is available in the Women's Studies Program Office (BLDG. 47, ROOM 25H / 805-756-1525). Students must maintain at least a C average in the minor courses. At least two-thirds of the classes must be graded courses.
