

# SUSTAINABLE ENVIRONMENTS MINOR

## 2007-09 Cal Poly Catalog

### College of Architecture and Environmental Design

**Architecture & Environmental Design Bldg. (05),  
Room 212 (805) 756-1321**

This minor educates students within the college in the principles and various aspects of sustainable environmental design with global, regional and local perspectives and concepts. It provides students with the knowledge and abilities needed to integrate concerns for ecology, social equity and economics within the context of human and natural resource systems and the built environment.

Interested students should contact the Architecture Department for individual advisement.
