HNRC--HONORS CONTRACT

HNRC 199 Honors Contract (CR/NC)

Students in the Honors Program are required to take at least eight courses for honors credit before graduation. Taking an Honors course may not be possible due to scheduling conflicts or unavailability of courses. In these cases and with the permission of the Director of the Honors Program, the student may enter into a "Contract" to engage in honors-level work in a class on an individual basis. Credit/No Credit grading only. Prerequisite: Student must be in good standing in the Honors Program, and have permission of the Director.

HNRC 200 Honors Leadership Experience (CR/NC)

The Honors Program encourages its students to develop leadership skills through serving on the Honors Board, chairing Honors Committees, participating as International Student mentors and/or Preface discussion leaders. To receive Honors credit for these activities, students must also participate in a number of formal leadership-training seminars/workshops, and contribute their insights to the Honors and greater Cal Poly communities. Credit/No Credit grading only. Total credit limited to two courses. Prerequisite: Student must be in good standing in the Honors Program, and have permission of the Director.

To receive Honors credit, students must also reflect on these experiences and contribute their insights through presentations (oral and/or written) to the Honors and greater Cal Poly communities. Credit/No Credit grading only. Prerequisite: Student must be in good standing in the Honors Program, and have permission of the Director.
