Subject: *Academic Senate: Nominations to Academic Senate and University Committees now being accepted*

It is once again time to appoint faculty to Academic Senate and University committees. If applying for more than one committee, candidates are required to submit a separate *Statement of Interest* form for each committee, available online at < <http://www.calpoly.edu/~acadsen/documents.html> >

- Attached for your convenience is a list of Senate committees vacancies for your college and a list of University committees vacancies.
- Appointments to Senate committees will be made from these Statement of Interest forms. To serve on a Senate committee one **must be a full-time faculty member**. Appointment terms are two years, and faculty **may not serve** on more than one Senate committee at a time.
- Appointed terms vary on the University committees, and faculty may serve on more than one University committee.
- If you are presently ending your first two-year term on a committee, you **must** indicate your interest in continuing on that committee for an additional term by returning the Statement of Interest form.

All attachments are available online at < <http://www.calpoly.edu/~acadsen/documents.html> >

It is action at the level of these committees that has the greatest influence on directions taken by the Academic Senate and the administration. All faculty are encouraged to consider serving on one of the committees listed.

Statement of Interest forms must be received by the Academic Senate office by **Friday, March 6, 2009**. If you have any questions concerning these committees, please contact the Academic Senate office at ext. 61259 or ggregory@calpoly.edu.
