## Community College Course Cross Reference Guide

5/3/04

The listed courses are supplied by the Community Colleges, taken from catalogs and/or based on the most current portfolio reviews. Portfolio reviews are required to receive final course credit.

You must complete all the courses listed below to receive credit for Cal Poly's first year design and drawing sequence (Arch 121, 122, 123).

Arch 251, 252 & 253 can be articulated but do not earn points toward acceptance into Cal Poly. However, Arch 251 is recommended for students applying for Winter admissions.
