

Cal Poly Architecture

6/23/04

Community College Transfer Model

Effective for students applying to start Fall 2005 or Winter 2006 and Beyond.

Section One: Specific Coursework		
Course	Semester Units	Must articulate with the following Cal Poly Courses
[english composition]	3	
[critical thinking]	3	
[speech]	3	
physics (trig-based)	8 reqd.	Phys 121 & 122
PreCalc./College Algebra/Trig/Math Analysis	4 reqd.	
[analytic geometry/calculus/diff. eqs.]	4 reqd.	Math 141
materials of construction, architectural practice	4 reqd.	Arch 106 & 231
beginning design and drawing	6 reqd. (min)	Arch 121 & 122 & 123
computer applications	3	Arch 160

All courses listed earn points toward acceptance into the Architecture program at Cal Poly. The courses in **Bold** will result in point deductions if they are not completed.

Most students will start the Architecture curriculum as a second year student because the second year structures series must be completed before beginning third year design.

Section Two: General Education (GE) or (IGETC) completion

Section Three: GPA for Section One courses

Section Four: Work experience and extra-curricular activity participation

Note: Students are required to completed a minimum of 60 semester hours of credit to transfer.
