Teacher Assistants in Mathematics and Science

A paid opportunity to gain hands-on teaching experience!

Assist teachers and students at a local middle or high school, tutoring Math, Science, and/or AVID classes before school, at lunchtime, and/or after school. Work 6-10 hours a week at $12/hour.

Requirements:

- Second, Third, or Fourth-Year Liberal Studies or STEM majors thinking about becoming a Science or Math teacher
- Attend weekly 1 unit seminar (SCM 220-01), Wednesdays 4-6pm: Discuss your experience, teaching, the future of education, and other relevant topics
- Authorization to work in U.S. required for pay, but additional units can be requested instead

Apply online at cesame.calpoly.edu!

Applications accepted on a quarterly basis. Sign up for just one quarter, or for the entire academic year!
