General Information
All students requesting a change of major into Kinesiology must meet the following minimum requirements.

- **Class Level**
  - Have completed at least 1 quarter at Cal Poly. The department will not enter into an Individualized Change of Major Agreement (ICMA) with students who have not completed at least 1 quarter at Cal Poly.

- **Academic Standing and Course Requirements**
  - The Kinesiology Department undergraduate coordinator will work with each individual student to establish a term GPA requirement for each quarter of any ICMA. The minimum term GPA expectations may range from 2.50 to 3.0.
  - The Kinesiology Department undergraduate coordinator will work with each individual student to determine what, if any, course requirements are needed for each quarter of any ICMA.

Procedures

- First Step = talk to an advisor in your current major and ensure that your current major is “NOT” the best academic/professional “fit” for you at this time.
- Second Step = meet with Camille O’Bryant, Undergraduate Coordinator in Kinesiology, to determine if Kinesiology is the better “fit” for you at this time.
  - Please bring the following items with you to the initial meeting
    - A copy of your unofficial transcripts (print out of Poly Profile)
    - A one page typewritten statement that contains an overview of why you want to major in Kinesiology

Important Notes

- The Kinesiology Department will ONLY meet with students to discuss change of Major requests during weeks four, five and six in fall, winter and spring quarters.
- The Kinesiology major is impacted. Therefore, the department may limit the total number of ICMAs to 15 per quarter (fall, winter and spring)
- For further information please read Cal Poly’s Change of Major Policy at:
