

# Cal Poly Dairy Science Fall 2010 Producer Symposium

## "The Future of Milk Price"

*October 15 & 16, 2010*

### Please join us for the 3rd Annual Cal Poly Dairy Fall Producer Symposium AND SALE!

The Cal Poly Dairy Science Department and Cal Poly Dairy Farm Advisory Team would like to invite you to join us on **October 15 and 16, 2010** for the 3rd Annual Cal Poly Fall Producer Symposium and SALE.

Locations: Cal Poly Dairy - San Luis Obispo, CA  
Embassy Suites - San Luis Obispo, CA

This year we are focusing on milk pricing issues including information about:

- H.R 5288, the bill being considered in congress that would, if passed into law, mean a significant change in payments dairymen receive. Please join us for this, unique, important and world class program.
- NMPF's Foundation for the Future Program
- Hear from industry and academic experts on how milk price became so volatile and what is being proposed to fix this difficult problem
- Get the most recent information and have your voice heard in a dynamic panel question and answer session with our speakers and lawmakers.
- Have the opportunity to bid on world class seedstock from Cal Poly's dairy herd and other producers in our first annual combined Symposium and SALE.
- Network with other industry professionals and leaders at the Friday evening BBQ and learn about the academic and research programs in the Cal Poly Dairy Science Department
- Families who are considering Cal Poly College of Agriculture, Food and Environmental Science can sign up to spend the Friday at Fall Preview
