

# **COFFEE TABLE AND END TABLE TECHNICAL SPECIFICATION**

## **DESCRIPTION**

Mission style matching tables.

## **FINISH**

Light oak wood finish and WilsonArt Mizar light oak laminate.

## **MEASUREMENTS**

Coffee Table: 29" W x 19" D x 17" H

End Table: 29" W x 19" D x 22" H

## **CORE MATERIAL**

- ◇ The coffee table and end table is a four leg design with a complete four-sided apron for support made with all wood components constructed from select quality solid hardwood maple.
- ◇ Tabletop shall be of high-pressure Wilson Art Mizar Oak laminate.

## **FABRICATION**

- ◇ Coffee table and end table shall be constructed in a similar fashion to match.
- ◇ High-pressure Wilson Art Mizar Oak laminate table top shall be positioned on top of solid maple frame.
- ◇ Tabletop shall have a composite core of no less than 1/32" thick Wilson Art Mizar Oak laminate and balanced with a backing sheet.
- ◇ The frame consists of a 3" x 1" thick four-sided solid hardwood maple apron with a doubled contoured edge. A second support 3" x 1" thick is positioned between the legs that support the 1" thick vertical mission strips.
- ◇ The 1-3/4" square legs are doweled into the apron in both directions of the solid hardwood maple apron.
- ◇ Steel corner gussets are bolted into position at each corner at supports to strengthen the mission style wood legs.
- ◇ Edges of the Wilson Art Mizar Oak laminate top are solid maple of no less than 1" thick.
