

Cal Poly -- Physics Department

Benchmark Targets for Progress to Degree First-time Freshman (October, 2009)

- You should have completed all the courses for that year and be enrolled in the proper courses for the Fall of the subsequent year.
- There is some flexibility as to which quarter some lower-division courses are taken.
- If you have transfer or AP credit then you may be ahead of this schedule.

<i>Year one</i>	40 units	Major GPA > 2.0
	PHYS 141	PHYS 132
MATH 141	MATH 142	MATH 143
CHEM 127	CHEM 128	
<i>Year two</i>	82 units	Major GPA > 2.0
PHYS 133	PHYS 206/256	PHYS 202
