### Advising Policy
- The Architecture Dept. requires all new transfer students to meet with a faculty advisor to assess Portfolio Review credit and curriculum requirements prior to registration.
- It is strongly recommended that all new students participate in the Spring New Admitted Student Day, Summer Advising Program, and the Fall Week of Welcome.
- All students are required to meet with an advisor the quarter prior to registration for 3rd year design.

### High School and Community College students
- Students must complete the University U.S. Cultural Pluralism requirement. Refer to the University Catalog.

---

High School and Community College students are encouraged to take Advanced Placement Tests to earn possible credit for Calculus, Physics and other lower division GE&B courses. See your High School or Community College for information on A/P testing.

Refer to the Cal Poly Catalog for General Education & Breadth (GE&B) choices to fulfill curriculum requirements. Students must complete the University U.S. Cultural Pluralism requirement. Refer to the University Catalog.
