FEES AND EXPENSES

STATE UNIVERSITY FEE

The State University Fee is divided into two categories depending on the number of units for which a student is registered. Students may register for up to six units per quarter at the lower rate. The higher rate is charged if the total units taken during the quarter exceeds six.

SCHEDULE OF FEES

All regularly enrolled students, both undergraduate and graduate, pay registration fees determined by the number of units per quarter. Legal residents of California are not charged tuition. In addition to registration fees, nonresident and foreign students pay tuition fees. Students who have already earned a degree equal to or higher than the one for which they are enrolled are charged Duplicate Degree Tuition, but do not have to pay the State University Fee.

If your check is returned by the bank for any reason, your registration may be cancelled and you will be charged a returned check processing fee.

No fees of any kind shall be required of or collected from those individuals who qualify for such exemption under the provisions of the Alan Pattee Scholarship Act.

Registration Fees Per Quarter

Fees listed below were in effect at the time this catalog was printed and are for informational purposes only. This list is not to be used as a schedule of current fees. Unless otherwise noted, fees indicated are per quarter. The total fee paid per term will be determined by the number of units taken, including those in excess of fifteen.

Fees and tuition are subject to change without advance notice by the Trustees of The California State University. Please consult the current Class Schedule for the fees that are applicable to the quarter in which you are registering.

DUPLICATE DEGREE TUITION

The California State University is required by law to charge duplicate degree tuition of $100 per quarter unit up to a maximum of $1,500 per quarter to any student who has earned a degree equivalent to or higher than the degree awarded by the program in which the student is enrolled or who has earned a baccalaureate or postbaccalaureate degree and is enrolled without a declared degree objective.
The following categories are exempted from Duplicate Degree Tuition:

1. A dislocated worker as certified by a state agency in accordance with Title 3 of the Federal Job Training Partnership Act.
2. A displaced homemaker as defined in accordance with the Higher Education Act of 1965, as amended (20 USC 1001 et seq.)
3. A person who is an enrollee in any program leading to a credential or certificate that has been approved by the Commission on Teacher Credentialing.
4. A recipient of benefits under the Aid to Families with Dependent Children program, the Supplementary Security Income or State Supplementary Program, or a general assistance program.
5. A nonresident student except those for whom nonresident tuition has been waived.
6. A California resident who is sixty years of age or older.
7. Children and dependents of deceased or disabled veterans.
8. Children of deceased law enforcement or fire suppression prevention employees.

REFUND OF FEES

Details concerning fees which may be refunded, the circumstances under which fees may be refunded, and the appropriate procedure to be followed in seeking refunds may be obtained by consulting Section 42201 (parking fees), 41913 (nonresident tuition), 42019 (housing charges), and 41802 (all other fees) of Title 5, California Code of Regulations. In all cases it is important to act quickly in applying for a refund. Information regarding which fees may be refunded and the appropriate procedures to follow is published in the quarterly Class Schedule in the section entitled "Additional Registration Information." Information concerning any aspect of the refund of fees may be obtained from the Academic Records Office or the University Cashier.

DEBTS OWED TO THE UNIVERSITY

Should a student or former student fail to pay a debt owed to the institution, the institution may "withhold permission to register, to use facilities for which a fee is authorized to be charged, to receive services, materials, food or merchandise or any combination of the above from any person owing a debt" until the debt is paid (see Title 5, California Code of Regulations, Sections 42380 and 42381). For example, the institution may withhold permission to receive official transcripts of grades from any person owing a debt. If a student believes that he or she does not owe all or part of an unpaid obligation, the student should contact the campus business office. The business office, or another office on campus to which the student may be referred by the business office, will review the pertinent information, including information the student may wish to present, and will advise the student of its conclusions with respect to the debt.

CREDIT CARDS

VISA and Master Charge bank credit cards may be used for the purchase of meal tickets from the University Foundation, theatre tickets from the Cal Poly Theatre Box Office, health services from the University Health Center, Bookstore purchases and for Extended University Programs fees. No other use of credit cards is authorized.

PROCEDURE FOR THE ESTABLISHMENT OF A STUDENT BODY FEE

The law governing The California State University provides that a student body fee may be established by student referendum with the approval of two-thirds of those students voting. The Student Body Fee was established at California Polytechnic State University, San Luis Obispo by student referendum on May 22, 1991. The same fee can be abolished by a similar two-thirds approval of students voting on a referendum called for by a petition signed by 10% of the regularly enrolled students (Education Code, Section 89300). The level of the fee is set by the Chancellor. An increase in the student body fee may be approved by the Chancellor only following a referendum on the fee increase approved by a majority of students voting. Student body fees support a variety of cultural and recreational programs, child care centers, and special student support programs.
FINANCIAL AID

Financial Aid Office
Administration Bldg. (01), Room 212
(805) 756-2927

The university has a variety of grants, loan funds, scholarships, and part-time employment opportunities designed to assist students financially. Students who need assistance in order to complete their college work should read this section carefully. Additional current information may be obtained by writing to the Financial Aid Office for a copy of the Financial Aid brochure.

The application for Financial Aid is called the Free Application for Federal Student Aid (FAFSA). It may be obtained from any university or college financial aid office or any California high school. Scholarship applications must be requested directly from the Financial Aid Office. The deadline for filing the FAFSA with the processor is March 2.

TYPICAL STUDENT EXPENSES

Following are the typical expenses per quarter during the 1993-94 academic year for the average California resident student attending Cal Poly. Charges for room and board are payable in advance or in installments. Nonresident students should be prepared to pay additional tuition and fees. For the 1993-94 school year nonresident tuition was an extra $164 per unit. Duplicate degree tuition will be charged to students who have already earned a degree equivalent to or higher than the degree awarded by the program in which the student is enrolled. Duplicate degree tuition is $100 per unit. Students in this category must pay campus fees ($140) in addition to Duplicate Degree Tuition, but do not have to pay the State University Fee.

Please see the "Fees and Expenses" section for more information. All State fees are subject to change upon approval by the Board of Trustees of The California State University.

Estimated Expenses per Quarter:
Registration fees ........................................... 747
Room and board with 14-meal ticket .......... 1,588
Books and supplies (estimated) ..................... 204
Personal expenses and transportation ........... 697

Estimated total per quarter ......................... $3,236

* Beginning engineering and architecture students should be prepared to pay up to $250 in their first quarter for books and supplies.

ALAN PATTEE SCHOLARSHIPS

Children of deceased public law enforcement or fire suppression employees who were California residents and who were killed in the course of law enforcement or fire suppression duties are not charged fees or tuition of any kind at any California State University campus, according to the Alan Pattee Scholarship Act, Education Code Section 68121. Students qualifying for these benefits are known as Alan Pattee scholars. For further information contact the Admissions/Registrar's Office, which determines eligibility.

UNIVERSITY SCHOLARSHIPS

General Information
Over 1100 scholarships a year are awarded or confirmed by the Cal Poly Scholarship Committee. Applications are received by the Financial Aid Office for the Scholarship Committee. Members review each student's financial need, scholastic ability, participation in school and community activities, honors and organizational affiliations, and educational objectives. Some Cal Poly scholarships have additional requirements which relate to a particular concentration or field of study, residential origin, class level, and project or design portfolios.

Generally, a student must have at least an over-all grade point average of 3.0 to be granted a scholarship. There are some scholarships, however, that are awarded to students with lower grade point averages if they meet certain criteria such as need, field of study, or high school.

If you are in doubt about your eligibility or have not received word on your admission status to Cal Poly, be sure to apply by the filing deadline.

How to Apply
Annual Deadline Date:
March 2 for the following academic year

The Cal Poly Scholarship Application (available in January from the Financial Aid Office) should be filled out completely. A reference form is included as part of the application, and it should be completed by an individual who can attest to the student's ability to profit from a college education, need for financial assistance, leadership abilities, and interest and participation in school activities. A parent or close relative cannot be considered as a reference. To determine financial need, the FAFSA must also be filed. For
priority consideration for financial aid programs and Cal Poly scholarships, the FAFSA should be mailed to the processor by March 2.

Scholarship Notifications
Typically, the Cal Poly Scholarship Committee meets in early spring to award and confirm scholarship awards. In late spring, scholarship award letters will be sent to recipients. Scholarship amount, disbursement and donor information are included. Recipients must maintain full-time enrollment while receiving the scholarship (extended education, concurrent enrollment and other college units are excluded). Some scholarships require that recipients will have earned at least one-half the value of the scholarship during the previous year.

Scholarships are awarded for an academic year and are typically disbursed in increments each quarter. Non-attendance will result in cancellation or a prorated amount.

Students not selected will be notified during the summer. However, applications will remain active for the academic year. Should a scholarship become available, a current applicant in good standing may be considered.

Other Scholarships
In addition to the scholarships awarded by the University, 
many awards from various private donors and organizations 
are available to assist students in meeting University 
expenses. Interested students should make inquiries for such 
awards directly to the sponsoring organization.

Currently, Cal Poly students are the beneficiaries of well over 
a million dollars of outside scholarship assistance each year.
LOANS

Loans are for educational purposes only, with definite provisions for repayment. There are four types: Federal Perkins Loans, Federal Parent Loans (PLUS), Federal Stafford Student Loans (formerly Guaranteed Student Loans), and Cal Poly Long-Term Emergency Loans. Also available are emergency loans of small amounts, interest free, over a short-term period.

Federal Perkins Loans
The Federal Perkins Loan is a five percent interest loan available to both undergraduate and graduate students. Annual amounts are based on the students’ need as determined by the Financial Aid Office. Repayment begins six to nine months after the student leaves school or ceases to be at least a half-time student. The government pays the interest while the student is in school and during the grace period. There are cancellation and deferment provisions. The application for this loan is the FAFSA which must be submitted by March 2 for the upcoming school year.

Federal Parent Loans (PLUS)
Federal Parent Loans (PLUS) enable parents to obtain annually adjusted variable interest loans (not to exceed ten percent) for educational costs through banks and other lending institutions. A PLUS loan goes into repayment when the loan is made. To apply, contact the Financial Aid Office.

Federal Stafford Loan
The Federal Stafford Loan program was established to make loans to students through lending institutions such as banks and credit unions. Annual amounts are based on the students’ need as determined by the Financial Aid Office and federal limits. The federal government will pay the interest on the loan while the student is in school and there are deferment provisions. The FAFSA must be on file in order to determine need. Stafford Student Loan applications are available from the Financial Aid Office.

Federal Unsubsidized Stafford Loan
Students who are ineligible for some or all of a subsidized Federal Stafford Loan may borrow using the Unsubsidized Stafford Loan program. With the exception of demonstrated financial need, borrowers must meet all eligibility criteria of the regular Stafford Loan program. Interest payments begin immediately after the loan is disbursed or the borrower may add the interest to the amount owed. The Federal Supplemental Loan for Students (SLS) program has been discontinued for the 1994-95 school year and beyond; accordingly, an additional amount of Unsubsidized Stafford Loan, above the normal Stafford limit, may be available to independent students and to dependent students whose parents are denied a PLUS Loan.

University Emergency Student Loans
This program was designed to assist students in coping with unanticipated educationally-related financial emergencies. Loans from these funds are made for varying periods of time and amounts, according to the regulations and conditions prescribed in the establishment of the particular loan fund. The following types of loans may be made by obtaining applications from the Financial Aid Office:

University Long-Term Emergency Loans are granted to students who demonstrate a long-term educational need. They are approved by a standing loan committee on the basis of written applications, recommendations, and interviews. Interest rates charged on the unpaid balance during the repayment period range from four to ten percent depending on donor requirements. Accrual usually begins after the specified due date, graduation, or withdrawal from the university. A one percent service charge is deducted from the loan disbursement.

University Short-Term Emergency Loans are granted for unexpected emergency situations. A maximum of $300 may be borrowed during one quarter. Repayment is usually due at the end of the quarter in which the loan was received. A one percent service charge is deducted from the loan disbursement and 12 percent interest is charged on any unpaid balance remaining after the agreed upon due date.

University Emergency Student Loans include donations received from the following:
Agricultural Engineering Loan Fund
Alumni Loan Fund
American Society of Heating, and Air Conditioning Loan Fund

GRANTS

Federal Pell Grant
This is a program designed to help undergraduates pay for their education after high school. The amount a student is eligible for depends on their Expected Family Contribution, the cost of education, full-time or part-time enrollment status, and how many quarters during the year they will be enrolled. Pell Grant eligibility is usually limited to 5 full years of undergraduate study. Eligibility may be extended for a sixth year if the undergraduate program requires more than four years to complete a bachelor’s degree. Students applying for other aid through the use of the FAFSA may apply for the Pell grant at the same time.

Federal Supplemental Educational Opportunity Grant Program
The Federal Supplemental Educational Opportunity Grant Program (SEOG) is a grant program to assist undergraduate students who have a substantial financial need and who, without this aid, could not attend college. To be considered for this grant, applicants must submit a FAFSA to the processor by March 2 for the upcoming school year.

Federal Work-Study Program
The Federal Work-Study Program (FWS) is a need-based program which provides employment for students to assist them in completing their education. It is intended that work-study jobs not only assist the student financially but also provide pertinent work experience. Students awarded FWS can be referred to jobs located either on- or off-campus with approved departments/agencies. Pay rates vary depending on the job requirements and the student’s skills. To receive priority consideration for this program, applicants must submit the FAFSA to the processor by March 2 for the upcoming school year.

Cal Grant A
This program awards money to middle- and low-income undergraduates. New awards are limited to students having freshman, sophomore or junior status. To apply to become a new winner of this grant, complete a FAFSA and a GPA Verification Form by March 2 for the upcoming school year. Renewal applicants must send the completed FAFSA by March 2.

Cal Grant B
This program assists high-potential undergraduates from disadvantaged/low-income backgrounds. To apply to become a new winner of this grant, complete a FAFSA and a GPA Verification Form by March 2 for the upcoming year. Renewal applicants must send the completed FAFSA by March 2.

State Educational Opportunity Program Grant (SEOP)
The SEOP grant is designed to assist students who have been admitted to the university through the Educational Opportunity Program (EOP). Undergraduate EOP students are considered for this grant when they file the FAFSA for the upcoming school year by March 2.

State University Grant (SUG)
This state-funded program has been implemented to provide grants to offset the increased State University Fee. SUG is available to undergraduate and graduate students who are California residents and show financial need. To apply, file the FAFSA by March 2 for the upcoming year.

STATE AID TO THE PHYSICALLY HANDICAPPED
The State Department of Vocational Rehabilitation provides financial assistance to students who have physical disabilities. This assistance equals the necessary school expenses and may include additional funds to help cover the cost of living. Students entitled to this assistance desiring more information and application procedures should contact the Department of Vocational Rehabilitation.
