**Students must meet all of the following eligibility requirements:**

- **Graduate from a California high school** (unless military orders required you or your parent/guardian to be out of state at the time of your graduation) or have completed a high school graduation equivalency (including GED or the California High School Proficiency Exam) on or after June 30, 2000.
- Be a **California resident at the time of your high school graduation**, or its equivalent.
- Earn a verified **community college GPA of at least 2.4**.
- Attend and complete at least one term at a CA community college and be transferring to a qualifying CA Institution that offers a bachelor's degree for 2020-2021.
- **Be no more than 27 years of age** by December 31 in the year of first award.

Read the following carefully, then submit this completed form and all requested documents to the Financial Aid Office as soon as possible. Failure to return this information could adversely affect your ability to receive a Cal Grant award.

- b. **If your parent** (or legal guardian) **did not file a California Resident Income Tax Return (Form 540)**, for the year requested, your parent (or legal guardian) must provide one of the following documents for the calendar year immediately prior to your high school graduation or its equivalent:
