### **The CSU Announces Plans to Require COVID-19 Vaccines; Appointments Available Throughout SLO County**

The CSU and UC systems announced plans to require the COVID-19 vaccine for students and employees conditioned on Food and Drug Administration approval and adequate availability of the fully approved vaccine, likely beginning fall quarter. More details will be made available as fall approaches. Find the full announcement at <https://www2.calstate.edu/csu-system/news/Pages/CSU-COVID-Vax-Requirement-FDA-Approval.aspx>. Everyone 16 and older in SLO County is eligible for the COVID-19 vaccine and can find first and second dose appointments through several local providers. All students can make appointments at Campus Health and Wellbeing's Student Vaccination Clinic at the Health Center. Everyone can find appointments at local pharmacies and SLO County's Public Health Department vaccine sites outlined at <https://coronavirus.calpoly.edu/covid-19-vaccine>. The county encourages everyone to follow instructions to make a second dose appointment, if needed, through the same provider that administered the first dose.

### **Vaccine Fact Check: What's Happening with the Johnson & Johnson Vaccine?**

This week's COVID-19 Vaccine Fact Check addresses recent news regarding the Johnson & Johnson vaccine. Earlier this month, the Food and Drug Administration (FDA) and Centers for Disease Control and Prevention (CDC) recommended a pause in administering this specific brand of vaccine due to reports of a rare and severe type of blood clot. The issue occurred at a rate of 7 per 1 million vaccinated women between 18 and 49 years old within two weeks of getting the vaccine. For women 50 years and older and men of all ages, this adverse event is even more rare. During the pause, medical and scientific teams examined available data to assess the risk and conducted outreach to health care providers to ensure they knew how to recognize these cases and manage the unique treatment required. On April 23, the CDC recommended use of the Johnson & Johnson vaccine should be resumed and confirmed the FDA and CDC have confidence that the vaccine is safe and effective in preventing COVID-19. If you received this specific type of vaccine, learn more at <https://www.cdc.gov/coronavirus/2019-ncov/vaccines/safety/JJUpdate.html#symptoms-list-question>.

### **Nominations for Community Service Awards Due May 16**

Nominations for the 35<sup>th</sup> annual Cal Poly Community Service Awards are due by before midnight Sunday, May 16. ### **Last Chance to Give Feedback and Win Prizes**

This is the last week that campus community members can provide feedback to Administration and Finance units and be entered to win prizes for participating in the Focus Forward survey. The survey closes on Friday, April 30. A&F leadership is reaching out to constituents across campus for feedback on the division's response to the pandemic. The information will be used to reassess A&F unit offerings and deliverables. Open to all faculty, staff and students, the survey covers every unit and department within A&F. Campus community members are only being asked to complete the sections relevant to them. For every section that participants complete, they will be entered into a for an iPad Mini or more than 60 other prizes. More information on the survey, prizes and a link to participate are available at [afd.calpoly.edu/survey](http://afd.calpoly.edu/survey).

### **Scout Coffee Co. Coming to Campus**

Locally owned Scout Coffee Co. will be serving its made-from-scratch pastries and craft-roasted coffee in a new location next to the Welcome Center in fall 2021. Scout will offer its award-winning HoneyCo Coffee Roasters coffee as well as an extensive menu of fresh-baked goods. The new space will serve as a gathering spot for campus residents and visitors to grab a quick coffee and pastry on the way to class or to join a tour of the campus. Cal Poly Corporation is funding the build out of the space, with total capital expected to exceed \$1 million. The investment is one of many, including the \$28 million renovation of the Dining Complex (No. 19), in the Corporation's 10-year commercial services plan. For more information, visit <https://inside.calpoly.edu/scout-coffee-comes-to-campus>.

### **Retirements**

Facilities Operations Executive Director **Jude Fledderman** is retiring on May 1. Hailing from a small town in Pennsylvania, Fledderman moved to California's Central Coast in 1982 and spent 33 years in various positions at the Diablo Canyon Nuclear Power Plant working for PG&E. He later joined Cal Poly, where he has led Facilities Operations for nearly six years. In this role Fledderman proudly guides a highly talented staff performing a variety of roles, including various skilled trades, custodial, landscape, fleet, moving and surplus, and other leadership and support personnel. Collectively they maintain, keep safe and clean, and constantly improve the campus facilities and environment. Fledderman says he will miss his daily interactions with staff and the walks around campus viewing their awesome work and accomplishments. He will also miss receiving verbal and written thank you notes to the staff of the Facilities Operations Team from students, staff, faculty and campus visitors and sharing them with the team. Fledderman's retirement bucket list includes traveling to North America cities, sightseeing and fly fishing, as well as performing some nonprofit work that involves helping people and preserving — two things he is passionate about. He is also looking forward to experiencing the freedom of not being on-call 24/7 for the first time in 30 years.
