Celebrate National Safety Month with EHS at Safety Fair June 22 on Dexter Lawn

Environmental Health and Safety is celebrating National Safety Month through the end of June with a variety of activities and resources. Join EHS by cultivating a healthy and safe university culture! Stop by Dexter Lawn from 11 a.m. to 2 p.m. Thursday, June 22, for a Safety Fair sponsored by the Fastenal Co. Vendors will be featuring safety equipment and demonstrations — and giving away free food! To learn more Safety Fair and other safety month events, visit <https://afd.calpoly.edu/ehs/>.

June is Alzheimer’s and Brain Awareness Month

University personnel, Employee Wellbeing encourages conversation and reflection on cognitive health during June. Alzheimer’s disease, the most common form of dementia, affects more than 6 million Americans. To reduce the risk of cognitive decline, get quality sleep, stay socially active, exercise regularly and eat a nutritious diet. Cal Poly’s employee assistance program, LifeMatters, offers tips on sleep, exercise and nutrition, and assistance with referrals and elder care support. LifeMatters can be reached at 800-367-7474. Services provided directly by LifeMatters are free.

PAC Mural Part of Summer Spruce-up

There’s something new at the Performing Arts Center that patrons won’t need a ticket to see. A colorful, postcard-like mural featuring the PAC welcomes all to the venue and San Luis Obispo. The work, finished in early June by San Luis Obispo-based Marmalade Mural Co., graces a formerly blank concrete wall by the stage door. The PAC is adding more art and updating the lobby this summer. In addition, a project to make improvements at the PAC plaza will start in July.

Summer Campus Construction to Get Underway

Summer at Cal Poly will be bustling with construction for nearly a dozen major capital projects. These include the John Madden Football Center, a larger Administration Building (A-1) parking lot, University Union interior renovations, the start of the two-year Kennedy Library transformation and the next phase of the Technology Park on Mount Bishop Road. With so many exciting campus developments comes temporary traffic and parking impacts. Check online for the latest project updates at <https://afd.calpoly.edu/facilities/planning-capital-projects/project-news/>.
