Retroactive trip approvals are rare and only granted under exceptional circumstances.

Important Fall Parking Update

As the campus community returns, remember to plan and allow extra time to park. Ongoing construction tied to the Accelerated Master Plan and sustainability goals means parking patterns and lot access have changed. The good news is there are free and low-cost ways to get to, from and around campus. A second daytime Mustang Shuttle will begin the first day of classes to reduce wait times. Carpools have designated spaces and vanpools offer guaranteed parking. Rideshare has guaranteed rides home. SLO Transit remains free.

Julian's to Open This Fall in Kennedy Library

Julian's coffee shop is opening this fall in the Robert E. Kennedy Library after a multi-year renovation! Stop by for your favorite artisanal brews and a delicious new menu featuring fresh grain bowls, bagel sandwiches and more. It's the perfect spot to refuel and get ready for fall quarter. The new location will be open with limited hours the week of Sept. 22, and regular hours will begin on Sept. 29: Monday through Thursday, 8 a.m. to 7 p.m., and Friday, 8 a.m. to 5 p.m. Stop by to check out the new space. We can't wait to see you there!

Get Around Campus Safely This Fall

This fall as Cal Poly welcomes more than 6,000 students who are new to campus, it's a good time to think about how to get around safely. As a reminder, electric scooters, skateboards and similar micro-mobility devices are not allowed on campus. Bikes are a great way to avoid parking fees. Mustang Shuttle is an easy way to get around. Get your steps in with some good old-fashioned walking. The road is shared by bicyclists, drivers and pedestrians, all trying to get to their destination safely and everyone needs to share the road and the responsibility.
