TAPS Offers Self-Help Guest Parking Portal for Campus Departments

Cal Poly Transportation and Parking Services (TAPS) continues to offer a self-help guest parking portal called Offstreet. This online platform allows departments to provide customized parking access for guests without the need for physical pay stations. Departments can share a link with guests or enter license plate information directly, streamlining the parking process. TAPS will charge departments only for actual usage at the end of each month. The portal improves convenience for both departments and visitors. For more information or to schedule a demo, contact eventparking@calpoly.edu.
