2026-27 Career Fair Schedule Now Available

Career Services has published the 2026-27 Career Fair and Employer Engagement Schedule, featuring recruiting events across the San Luis Obispo and Solano campuses. To maximize student and employer participation, campus partners are encouraged to avoid scheduling career fairs, recruiting events or other major employer engagement programs on the same dates whenever possible. Faculty and staff are also invited to share these opportunities with employers in their networks. Career fairs connect students from all majors with internship, co-op and full-time employment opportunities, with our largest events attracting up to 200 companies and organizations representing a wide range of industries.

H Lots Reconfigured for Solar Infrastructure This Summer

This summer, Cal Poly is preparing to expand solar power and energy storage that will power our campus, lower electricity costs and advance our zero emissions goals. The installation of a solar array above the H Lots along Via Carta is a two-year project that began in mid-June. The first phase will be completed by early August with lot reconfiguration, adding at least 75 new parking spaces across H12 and H16. The lots are temporarily closed for reconfiguration one at a time over the summer and will be fully reopened for the fall semester.

Grand and Perimeter Roadway Painting This Summer

A pilot project to enhance pedestrian, motorist and cyclist safety along Grand Avenue and Perimeter Road between Slack Street and University Drive kicks off this summer with the repainting of traffic and bike lanes as well as new paint and signage at pedestrian crossings and transit stops. Roadway painting will begin on July 20 and be completed by mid-August. The roads will remain open throughout, but users should obey any temporary lane shifts and flagger instructions.
